General Labourer

Employment Opportunity

General Labourer

Location: Office/Yard & Field-Based

Position type: Full time, Part-Time, Call in & Seasonal

Schedule: Typically Monday to Friday, 8 hour days

Pay: Competitive hourly wage based on experience and qualifications

At Advanced Access Engineering, we are committed to safe, quality-driven project execution across a variety of sectors including energy, industrial, and infrastructure. Our General Labourers play a key role in supporting operations across worksites and project locations. We value team members who are reliable, hardworking, and safety-conscious.

Position Overview

We are hiring motivated General Labourers to join our team. This role involves supporting day-to-day activities, including material handling, basic site preparation, equipment operation/assistance, and general cleanup. Successful candidates will be dependable, able to work in physically demanding environments, and follow all safety protocols.

Working Conditions

Work is based around the office and yard as well as possible field opportunities, primarily outdoors in varied weather conditions. Work may occur at construction sites, marine yards, industrial facilities, or infrastructure projects.

Key Responsibilities

- Assist with setup and cleanup of work areas and equipment
- Load, unload, and move materials and tools
- Support technical staff as needed
- Operate basic tools and equipment safely and effectively
- Follow instructions and adhere to all site safety requirements
- Perform general maintenance and support duties as assigned
- Maintain cleanliness and organization of job sites

Key Qualifications

- Previous experience in construction, marine, or industrial environments considered an asset
- Comfortable with physical labour and working outdoors
- Valid driver's license and reliable transportation preferred
- WHMIS, or other safety tickets an asset (or willing to obtain)
- Positive attitude, strong work ethic, and team-player mindset
- Ability to follow direction and complete tasks independently

Employment Opportunity General Labourer

Application Process

Interested candidates should submit their resume detailing their relevant experience online or via the company's online candidate management system.
